

2017-2018 ANNUAL REPORT

OUR MISSION:

"To provide medical staff a meaningful voice in improving patient care and the working environment and to promote collaboration with the health authority."

RICHMOND HOSPITAL PHYSICIAN SOCIETY

A YEAR OF GROWTH

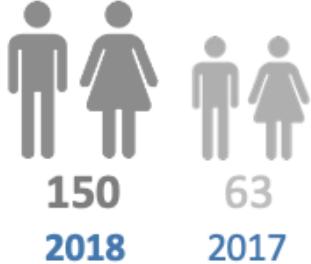

REPORT FROM THE PRESIDENT

I am pleased to report that this year has seen expansion and growth in physician engagement, physician-led projects and activities, and continued collaboration with our Vancouver Coastal health leadership and staff. I extend deep gratitude to my fellow Directors, the Working Group, and all of the physicians who have contributed to our accomplishments. I warmly invite you to join me in the year ahead to continue to give medical staff a meaningful voice. -Dr. Sherri Caswell
