

Many Cultures, One Care

Join us for a series of engaging workshops focused on improving care for patients with diverse cultural and language needs.

First Workshop Series: Caring for Our Cantonese-Speaking Patients

These two introductory sessions will:

- Provide an overview of the Cantonese history, culture, and language
- Offer practical insights to enhance culturally sensitive care
- Teach simple Cantonese phrases you can use to greet and connect with patients

Project Lead: Dr. Bella Wu

Facilitators: Drs. Eliza Chan & Matthew Kwok

Dates: Feb 5 (Thurs) & Feb 23 (Mon), 2026

Time: 6 – 7 PM (Cantonese food served at 5:30 PM)

Location: RH Auditorium

Limited Spots.

Come learn, connect, and build more inclusive care - one culture at a time.

Second Workshop Series: Caring for Our Mandarin-Speaking Patients
