

# Many Cultures, One Care

Join us for a series of engaging workshops focused on improving care for patients with diverse cultural and language needs.

## Second Workshop Series: Caring for Our Mandarin-Speaking Patients

These introductory sessions will:

- Provide an overview of the Chinese history, culture, and language
- Offer practical insights to enhance culturally sensitive care
- Teach simple Mandarin phrases you can use to greet and connect with patients

**Project Lead:** Dr. Bella Wu

**Facilitators:** Drs. Nancy Fu & David Ko

**Dates:** March 3 (Tuesday), 2026

**Time:** 5:30 – 6:30 PM (Chinese food served at 5 PM)

**Location:** Admin Conference Room (ACR), 3rd Floor, Section 3, Green Zone/Ilich Pavilion

Limited Spots.

Come learn, connect, and build more inclusive care - one culture at a time.
